3 **Standard Condition # 11:** The defendant shall notify the probation officer within seventy-two hours of being arrested or questioned by a law enforcement officer.

Supporting Evidence: According to Spokane County Sheriff's report number 14-412366, police responded to a residence in order to investigate a possible child endangerment issue. The responding deputy made contact with the adults in the residence and checked their names for possible warrants. Mr. Allman's name was run by the deputy, along with William F. Oldrock. Mr. Oldrock is a convicted felon and also is on supervised release in the Eastern District of Washington. Mr. Allman failed to notify his supervising probation officer of any law enforcement contact within 72 hours of being questioned, in violation of standard condition #9. Samuel Allman also violated standard condition #11 by associating with a convicted felon without permission from his U.S. probation officer.

4 **Special Condition # 19:** You shall undergo a substance abuse evaluation and, if indicated by a licensed/certified treatment provider, enter into and successfully complete an approved substance abuse treatment program, which could include inpatient treatment and aftercare. You shall contribute to the cost of treatment according to your ability to pay. You shall allow full reciprocal disclosure between the supervising officer and treatment provider.

Supporting Evidence: Mr. Allman completed his chemical dependency evaluation on November 3, 2014. The evaluator recommended that Mr. Allman complete outpatient treatment. Mr. Allman attended his initial treatment session on December 4, 2014, but has failed to attend any subsequent treatment sessions. Mr. Allman is currently in noncompliance with his court-ordered treatment, in violation of special condition #19.

5 **Special Condition # 20:** You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Samuel Allman consumed methamphetamine on or about November 23, 2014. Additionally, Mr. Allman failed to appear for urine testing on December 10 and 17, 2014, in violation of special condition #20 of his supervised release.

On November 26, 2014, Mr. Allman reported to the U.S. Probation Office in Spokane, Washington, for urine testing. The sample was tested and returned a presumptive positive reading for methamphetamine. Mr. Allman admitted to consuming methamphetamine and signed a drug use admission form acknowledging the violation.
